

How it Works

1. If you bid at the auction, you are purchasing a premium to help a 4-H member, not the live animal.
2. Form a group of business associates, friends or family to purchase an animal for the premium.
3. All donations are tax-deductible.
4. If you are unable to attend the auction, but would like to purchase an animal premium, please contact Jason Stallman or Ryan Blubaugh prior to the auction on July 27th.
5. Please be prepared to complete payment the night of the sale, if possible. We strongly encourage this option to expedite payment to our 4-H members.
6. If you would like to support a local 4-H member via an Add-On or make a donation to the Friends of the Reno County 4-H Livestock Sale, please complete the enclosed form. Please mail the form and payment to:

Purpose of the Sale

The purpose of our auction is to help motivate 4-H members to strive for excellence as they learn the business of raising and fitting animals. We hope you will encourage and support upcoming generations of agriculture entrepreneurs by purchasing livestock premiums at the auction.
